10/25/2018

Agenda

- Building Governance Update
- Allocation and Assignment Update
- Focus Room Conversion Update
- Acoustical Improvements Update
- Other Campus Construction Updates
- Q&A

Building Governance

- Update to Building Governance Committee sent Oct. 25
- New Member: Dr. Roberta Keller
- Proposed Revisions to Governance Structure
- Security Issues

Space Allocation and Assignments

- Allocations Details to Departments Week of October 29
- Reconfiguration Committees Meet Starting November

Focus Room Conversions

- 353 Focus Rooms will have work, 241 (65%) of these will be converted to private offices
- Work complete on 7th floor
- 6th floor scheduled to be complete Oct. 27
- 3rd floor starts Oct. 29, 4th floor starts Nov. 5
- Focus Rooms converted each week may not all be on the same floor, so no floor will be without available Focus Rooms during the project
- All existing furniture and any other items will be removed prior to construction

Acoustical Improvements

- Ceiling above open workstation areas, Focus Room Doors Complete
- Town Centers
 - Select walls get panels
 - Ceiling panels will be installed through November
 - Some new wall extensions will be built and baffled
 - No preparation by occupants needed
- Huddle Rooms not part of the project

Other Mission Bay Construction

■ UCSF
