SUBJECT: Mission Hall Building Governance Appointment Letter

Dear Colleagues:

Thank you for agreeing to serve on the Mission Hall Building Governance Committee (Governance Committee). Co-led by Kirsten Bibbins-Domingo and Colin Boyle, this committee will report to the UCSF Space Management Subcommittee.

The charge to the Governance Committee is to provide oversight for the Mission Hall building, establish building-wide principles and protocols, and guide administration and management of the building. The purview of the Governance Committee is floors two through seven. Space assigned to the Chancellor and Educational Technology Services is excluded.

Although assignment of workstations within defined areas will be designated to specific department/program representatives, the Governance Committee will work with these representatives to resolve building-wide issues, when necessary.

Your agreement to serve on this committee is appreciated. Thank you for undertaking this important responsibility.
