## Third Annual Campus First Impressions Contest 2019

## New Tables & Plants for Mission Hall!

The first floor middle corridor of Mission Hall will be receiving new tables on Thursday, December 19th! In addition, a few planters will be installed in the beginning of January to create a brighter more inviting look into the space. This has been made possible by this past year's Third Annual First Impressions Contest put on by Facilities Services.

*Big thanks goes to Robert Mansfield for entering this into this year's contest!!*
